

Dear Patient:

We at The Pain Relief SurgiCenter are pleased to announce that we have recently been re-accredited by the Accreditation Association for Ambulatory Health Care (AAAHC/Accreditation Association).

This is an important milestone in the continuing growth and success of our health care organization. Accreditation shows our commitment to providing the highest levels of quality care to our patients, and the same high level of conduct in our business practices. Accreditation by the AAAHC is proof of this commitment, and signifies that we have met the rigorous standards of a nationally recognized third party.

We are proud to have met the challenge of accreditation, and intend to consistently uphold the principles of quality improvement and patient care in the future.

Sincerely,

Vivek Mahendru, M.D.
Medical Director, The Pain Relief SurgiCenter
